...The *Cursillo* method aims at helping to transform in a Christian way the milieus where people live and work through the involvement of "new men and women" who have become such from their encounter with Christ. This is the goal of the three-day "little course" on Christianity, in which a team of priests and lay people, supported by the prayer and sacrifices of the movement's other members, communicate the fundamental truths of the Christian faith in an especially "living" way. When presented in this way, the message of Christ almost always opens participants in a *cursillo* to the gift of conversion and to a deeper awareness of the Baptism they have received and of their own mission in the Church.

*St. John Paul II from his 7/29/2000 address of the Holy Father to the "Cursillos De Cristiandad" Movement*
